"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

GIVE TODAY

DEAR PRO-ISRAEL FRIEND,

This shocked me. I think you'll be angry and amazed, too ... **Iran is spreading hate for Israel and grooming future terrorists right here in the U.S.**

And it is using mosques – “houses of worship” – to do so.

A brutal dictatorship with the blood of hundreds of Americans on its hands ... a regime that spouts, “Death to Israel! Death to America!” ... Iran now uses mosques to export its revolution – to bring its chilling call for mayhem and murder to our shores.

This is a clear and present danger, but Team Biden isn't paying attention.

It's too busy making concessions to the tyrants of Tehran ... suppressing free speech on Facebook ... investigating parents who protest woke public schools ... and prosecuting a former president of the United States.

That's why you and I must act!

Your signature on CIDI's **INVESTIGATE IRAN'S MALIGN INFLUENCE IN AMERICA!** petition to House leaders, along with your much-needed gift of support, will help light a fire under Congress.

But before I tell you more about **WHAT** we must do, let me tell you **WHY** it's so needed.

I'll start in Houston where the Iran-tied Islamic Education Center (IEC) foments white-hot hate for Israel and slavish devotion to Iran's murderous dictator, Ayatollah Ali Khamenei.

Houston's IEC imam – appointed to that post by Khamenei himself –

demonized the Jewish state in 2014 with these vile words:

*Today, one of the worst Hitlers in this world is Netanyahu ... **Israel is causing a holocaust.***

*Down with Israel! Down with Israel! Believe me, this is not a slogan. We believe that **this regime is going to be washed from the map** ... the Zionist regime will not be existing in this world.*

And in a blatant and brazen display of allegiance to Iran, the Islamic Education Center Mosque in Houston **celebrated** the 40th anniversary of the Iranian Revolution in 2019.

The festivities featured an anthem the mosque's boys' choir sang to Khamenei – the tyrant who leads a regime that guns down protesters on its streets and exports terrorism around the world. The song's lyrics included these words:

We are your followers, you are our Leader ... We are your soldiers.

A children's choir sang Khamenei's praises again last year. Young girls in white head coverings and black robes along with little boys in white shirts and red headbands sang this dreadful pledge to die for Iran's Supreme Leader Ali Khamenei:

*[Khamenei] is calling on his children, his soldiers ... In spite of my age, I will be your army's commander ... May my father and mother be sacrificed for you, I will sacrifice everything for you ... **I make an oath to be your martyr, Ali.***

And that's not all ...

The brutal Islamic regime is using mosques to spread its malign influence into our nation. Joe Biden is negotiating giveaways to the ayatollahs while Iran-tied mosques groom young children into terror!

• **ISLAMIC HOUSE OF WISDOM / Dearborn Heights, Michigan**
Mohammad Ali Elahi, the imam leading the Islamic House of Wisdom in Dearborn Heights, Michigan, was head of “political ideology” for Iran's navy in the 1980s. Reportedly appointed to that post by Ayatollah Khomeini, his job was to instill hate for the U.S., and to purge pro-American sentiment from Iran's navy.

Elahi has deep ties to senior Iranian leadership. He knows three former Iranian presidents and praised a Hezbollah spiritual adviser who endorsed suicide

bombings. Now he's leading a mosque in Michigan!

- ISLAMIC EDUCATION CENTER / Potomac, Maryland

This mosque's original funding was secured by a man "acknowledged by all as the most prominent supporter in this country of Khomeini," according to a 1980 *Washington Post* article. The funding itself came from the Alavi Foundation, an alleged Iranian front group controlled by Iran's Supreme Leader. The investigations chief for Manhattan's district attorney left little doubt: "We found evidence that the government of Iran really controlled everything about the foundation."

- MANASSAS MOSQUE / Manassas, Virginia

A picture shows children at the mosque on a stage with a shrine honoring the Islamic Republic of Iran's founder, Ayatollah Ruhollah Khomeini. This mosque, like its counterpart in Maryland, has taken funding from the Iran-tied Alavi Foundation — some \$200,000, according to a report from Focus on Western Islamism. An exhibition at the mosque honored fighters from Iran's Islamic Revolutionary Guard Corps, a U.S.-designated terrorist organization, and featured a life-sized cutout of Khomeini.

Mosques are at the heart of Iran's malign war on Israel — its evil campaign to ELIMINATE the Jewish state. A spokesman at Iran's Foreign Ministry made this announcement last year:

Resistance is the only way to save Palestine, and al-Aqsa Mosque and all mosques in the world will remain the center of anti-Zionist resistance until the complete liberation of Palestine.

"Liberation of Palestine," of course, is code for ANNIHILATION of Israel!

Nine members of Congress called in July for a federal investigation into Iran's "malign influence" by means of mosques in the United States. I applaud their effort, but it is highly unlikely that Team Biden will act. Especially since Biden, as I write, is putting the finishing touches on a

scandalous \$6 billion ransom payment to the criminals in Tehran.

That's why I am asking you to **join me in calling on the U.S. House of Representatives to launch its own probe** into what Iran is doing now to bring "Death to America" and "Death to Israel."

Please sign and return CIDI's **INVESTIGATE IRAN'S MALIGN INFLUENCE INSIDE AMERICA!** petition now. For the sake of our security, for the sake of Israel's defense, you and I must act.

And as you reply with your gift of \$30 or more, ask for the Special Report, *The Muslim Brotherhood: Allah's Agents of Conquest*. It details the covert but far-reaching influence of radical Islam inside America.

This is shocking information every American needs to know. Ask for this Special Report as you reply with your much-needed and much-appreciated financial support.

Finally, I want to give you a word of hope — and it comes from Iran. An Iranian official recently admitted that 50,000 of Iran's 75,000 mosques are now closed! People are losing interest in Islam in the very birthplace of the modern Islamic revolution!

At the same time, Iranians are hungry for God and turning to Jesus in droves. "A great awakening has started in Iran," asserts Marziyeh Amirizadeh, an exiled

Iranian who came to faith in Christ and was jailed and tortured for her witness.

Iran's radical Islamic rulers, she said, "are truly evil people. Cruel, evil people."

That is why you and I must speak out now! Join me in calling on House leaders to investigate Iran's dangerous and malign influence in America. And please respond with your most generous gift now to fight for Israel and EXPOSE its fierce enemy, Iran. Please act right away!

Thank you for your steadfast friendship with Israel and your partnership with CIDI as we work, together, to bless and defend Israel!

Together for Israel,

Mat Staver

P.S. Iran is planting agents of influence inside America — and is using mosques to do so. Your signature on CIDI's urgent petition will help expose Iran's malign activities. INVESTIGATE IRAN'S MALIGN INFLUENCE IN AMERICA!

IRAN'S TENTACLES INVADGE AMERICA!

Please sign and return the INVESTIGATE IRAN'S MALIGN INFLUENCE IN AMERICA! petition below, along with your most generous gift to bless and defend Israel. Thank you!

An Urgent Petition to Speaker Kevin McCarthy and Majority Leader Steve Scalise

It is astonishing and disturbing that radical, Iran-tied mosques are operating inside America. Under color of religious freedom, Iran is using these mosques to spread its malign influence inside America. Iran's driving purpose — as it has told us for the last four decades — is "Death to America! Death to Israel!"

I am asking you to launch congressional investigation to EXPOSE Iran's covert infiltration of America using houses of

worship to warp young minds. Children at Houston's Islamic Education Center, for example, recently sang this pledge to Iran's brutal dictator, Ayatollah Ali Khamenei: "I make an oath to be your martyr, Ali!"

Please act immediately to investigate and expose Iran's malign influence on America — and its ultimate goal of destroying both America and Israel.
