"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

GIVE TODAY

## DEAR PRO-ISRAEL FRIEND,

As you know, genocidal Hamas savagely attacked southern Israel on Oct. 7, slaughtering more than 1,400 Israelis, mostly civilians, on a quiet Sabbath morning.

The terrorists shot, dismembered, raped, beheaded, and burned alive their innocent victims — and celebrated the carnage.

***"Your son killed Jews!" a blood-drenched Hamas thug bragged to his parents in a call from Israel. "I killed 10 with my own hands! Dad, 10 with my own hands!" he exulted, using a phone he stole from one of his victims.***

World leaders flew into Israel to offer sympathy and pledge solidarity with the Jewish state. But world opinion quickly shifted.

Israel the victim soon morphed into Israel the oppressor. And the Israel-hating United Nations is a big part of the reason why, which is why I'm asking you to join me in urging the U.S. House to take a long overdue and much-needed step. I'll explain in a moment.

First, lest we forget, let me give you one heinous episode that drives home the heartless, depraved, even demonic brutality unleashed on innocent Israelis on Oct. 7.

Eli Beer, who leads a rescue organization in Israel, reports an unspeakable atrocity in Kfar Aza, a

kibbutz of some 800 people just three miles from Gaza.

When Hamas terrorists invaded one home there, they shot the father. While he bled out, they gang-raped his wife. These evil monsters threw the couple's baby into a hot oven, giving the helpless infant an excruciating death.

And that is not an isolated incident. Beer said numerous babies with grill marks were found, showing they, too, had been murdered in ovens.

**"Despicable" is too kind a word for what these vile devils did to Israelis of all ages.**

WHAT?!

Guterres, a socialist, cast blame on Israel, charging it has "subjected" Palestinians to "56 years of suffocating occupation."

That's bunk. Israel evacuated Gaza in 2005 — ending its so-called "occupation." Hamas rushed in to take power and started firing rockets into Israeli population centers — war crimes that somehow escaped Guterres' attention.

But Guterres didn't stop. Both Hamas and the Palestinian Liberation Organization state, in writing, their pathological commitment to wipe Israel off the map. Guterres didn't mention that. Instead, he repeated Palestinian grievances, insisting ...

*It is the worst attack on Jews since the Holocaust. But six weeks later, the world is beginning to forget ... and turn on Israel. And one leading reason is the United Nations — a viper's den of hate for Israel. I'll share more below ... and what you and I must do!*

— Mat Staver

*They have seen their land steadily devoured by settlements and plagued by violence; their economy stifled; their people displaced; and their homes demolished. Their hopes for a political solution to their plight have been vanishing.*

**And who's to blame? Israel — the world's one-and-only Jewish state.**

It gets worse ... much worse. Just days after Guterres justified terror and condemned Israel, the U.N. General Assembly also sided with Hamas.

In a resolution that passed with a lopsided majority, the world's most venomous bastion of antisemitism REFUSED to condemn the murderous terror group.

Instead, the U.N. resolution demanded a ceasefire and relief aid for Gaza — both of which constitute gifts to Hamas.

Just 14 nations, including the U.S., voted against the resolution — which is nothing more than a naked attempt to rescue Hamas from Israel's righteous fury.

**Make no mistake. The U.N. sides with Hamas.**

Israel was incensed at the vote ...

The Jewish state's foreign minister blasted the "despicable" resolution.

Israel's U.N. ambassador bitterly called it a "dark day for the U.N. and for mankind." He added. "We have all witnessed that the U.N. no longer holds even one ounce of legitimacy or relevance."

Despite this — and many hostile U.N. acts against Israel like it — Joe Biden is sending more than \$12 billion annually to the United Nations, a bloated and corrupt bureaucracy that makes attacking and demonizing Israel its core mission.

**It is time for that to STOP!**

Putting a tourniquet on the river of cash the U.S. dumps into U.N. coffers every year is the one and only solution to long decades of taxpayer-subsidized antisemitism at the United Nations.

More than 40 years ago, U.S. Ambassador to Israel Jeane Kirkpatrick said the U.N. is "pathologically obsessed" with Israel.

That is still the case. Just last year, the U.N. General Assembly condemned Israel 15 times ... but passed just 13 resolutions censuring the rest of the world combined. That same lopsided pattern has prevailed for decades.

It's time for America to stop subsidizing antisemitism! Please take a moment to sign the enclosed demand letter.

**And as you do, I ask for your generous support to sustain and expand everything we are doing to bless and defend Israel at this urgent moment for the Jewish state.**

When you send a gift of \$30 or more, I want to send you a special thank-you gift. It's a stunning and detailed look at the U.N. Relief and Works Agency (UNRWA) — the U.N. agency at the heart of the unending Israel-Palestinian conflict.

Finally, a quick geography lesson. Tiny Israel is just 8,630 square miles — a bit larger than New Jersey. Yet it is surrounded by some 22 Muslim Arab nations that cover more than 5 million square miles.

Bottom line: Israel is an infinitesimal 0.17% of the total Muslim Arab land mass.

And yet the WORLD is transfixed —obsessed by this little nation of just 10 million people.

Why? The reason, of course, is that God has chosen the Jewish people. They are beloved of God, but hated by His enemies. That is what drives the bitter hostility toward Israel at the U.N. and across the world. for Israel!

Together, let's stand with Israel — God's chosen people. Pray for the Jewish state, especially now at this urgent time of war when global pressure and hate for Israel is mounting. This is more significant to God than we can possibly realize!

And please stand with CIDI as we stand with Israel! Respond right away with your gift and your signed demand letter.

Thank you for giving to bless and defend Israel.

Together for Israel,

sprawling pro-Hamas bureaucracy has spent billions to make it worse. This booklet is a troubling exposé showing why NOW is the time to cut all U.S. taxpayer aid to the U.N. and to agencies like UNRWA.

# END ALL FUNDING TO THE ANTI-ISRAEL U.N.!

## A Demand Letter to House Leaders

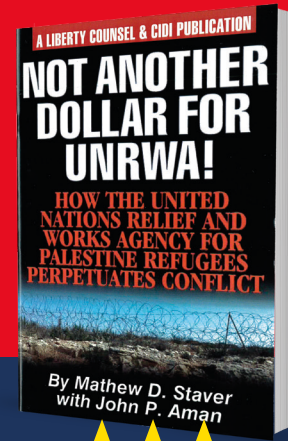

Addressed to: Speaker Mike Johnson, Majority Leader Steve Scalise, Foreign Affairs Committee Chairman Michael McCaul, Appropriations Committee Chairwoman Kay Granger

As an American citizen, a taxpayer, and a friend of Israel, I am calling on the U.S. House of Representatives to slash the U.S. contribution to the United Nations to zero, and to do so immediately.

America sends more than \$12 billion annually to the United Nations — far more than any other nation. And yet the U.N. is the world's most powerful and prominent antisemitic body. It singles out Israel — the one true democracy in the Middle East — for harsh, unreasonable, and unrelenting condemnation. It does all this with the financial support of the United States. And the time for this to end is NOW. Please END ALL FUNDING TO THE ANTI-ISRAEL U.N.!

## The U.N. Agency Driving the Palestinian War on Israel

If you've ever wondered why the Israeli-Palestinian conflict never ends, one surprising reason is the United Nations Relief and Works Agency (UNRWA). Get the behind-the-scenes history from U.N. documents showing how UNRWA's original purpose was corrupted. Find out how UNRWA now perpetuates the Israeli-Palestinian conflict by instilling hate for Israel in the hearts and minds of young Palestinians.
