Shocking, Tragic and True ...

What I'm about to tell you is a heartbreaking actual episode that drives home why you and I must stand with Israel—and demand ACTION from Congress. – Mat

It was Sabbath eve. An Israeli family was together for Sabbath dinner and to celebrate the birth of a baby boy.

Someone knocked on the door. Chaya Salomon, 45, opened it, thinking it was their first guest. Instead, a knife-wielding Palestinian terrorist rushed in and plunged his weapon into her stomach.

Mayhem erupted. "I started hearing screams and shouts," said Michel Salomon, a mother of five who rushed to an upstairs room where she gathered her children.

The 19-year-old assailant next stabbed Tova Salomon, a 68-year-old grandmother who, wounded, escaped upstairs.

Then the terrorist attacked Tova's husband, Yosef Salomon, 70, and their adult son, Elad, stabbing them repeatedly. When the remorseless killer saw Yosef still conscious, he thrust his knife into the grandfather 15 more times.

An off-duty IDF soldier heard the screams and rushed over, shooting the assailant and ending the attack.

The killer survived, but Yosef and his two adult children, Chaya and Elad, did not.

The Israeli indictment said the killer targeted the Salomon house because it was "lit up, with laughter emerging from within." Afterward, smeared blood covered the home's white kitchen floor.

A copy of the Quran was in the killer's

backpack ... from which he read before his bloody rampage.

It's horrible and hideously nightmarish. But here's what makes it all the worse ...

The Palestinian Authority (PA)—led by Mahmoud Abbas—is rewarding this Muslim assassin! The PA just DOUBLED its lifetime salary to this Islamic "soldier" now serving four lifetime sentences in an Israeli prison.

And that's not all. After killing three Israelis, this criminal is set for life. His hefty reward is a Palestinian Authority pension worth \$2.78 million.

But this killer, who is only a teen, is not alone. The PA gives hundreds of millions every year to some 17,000 Palestinian terrorists and 40,000 families of dead terrorists.

To Palestinians, including Mahmoud Abbas, these brutal thugs are "heroes" and "martyrs" to be richly rewarded and effusively celebrated.

The Palestinian Authority—Israel's supposed partner for peace—has blood on its hands and is an accomplice to murder.

But Joe Biden doesn't care.

Instead, he is lavishing MILLIONS in U.S. taxpayer dollars on the Palestinians. Federal law—the Taylor Force Act—prohibits U.S. aid to the Palestinians so

HORROR IN ISRAEL ...

It was Sabbath eve ... laughter was coming from within the lit-up home . . . a baby boy had just been born. But terror invaded when a knife-wielding Palestinian gained entrance. long as they reward terrorists for killing Americans and Israelis.

But that isn't stopping Biden. Incredibly, he is sending your tax dollars and mine to a sworn enemy of Israel—one that seeks Israel's destruction and pays out hundreds of millions annually through its "rewards program" for killers who slaughter Israelis.

You and I must speak out!

Together, we must call on Congress to SLASH all funding to the Palestinian Authority—unless and until it completely abandons its blood money payments to Palestinian terrorists.

Will you please sign and return the enclosed "STOP the Aid!" demand letter to House and Senate leaders? Together, we must make it absolutely clear that U.S. aid to the Palestinians must STOP immediately.

As you respond, I ask you to give to help CIDI fight for Israel on this critical front and many others.

Your generosity now will accelerate everything we do to bless and defend Israel ... especially in our nation's capital.

And in thanks for your kind gift of \$35 or more, I want to send you a special booklet that goes to the heart of the Palestinian war on Israel. *Why Islamists Hate Israel* gives you chapter and verse from the Quran on what drives the Arab world's implacable hatred for Israel.

It's no accident that the Palestinian killer I described above read from the Quran before his assault. You'll discover more when you request this important CIDI booklet. Please let me hear from you right away.

And here are three things that will make you all the more outraged at this monstrous evil—which you and I are forced to subsidize through our tax dollars.

First, the Biden team KNOWS that the Palestinians reward brutal, vicious and blood-soaked terrorists with millions in so-called "pay-for-slay" dollars. Biden's own State Department published a report in May disclosing that in 2019 the Palestinians paid out \$341 million to terrorists and their families.

Second, you'll be staggered to learn that the Palestinian Authority tries to hide the money trail by making its payments in cash! That makes it nearly impossible to guarantee U.S. funds are not used to reward Palestinians who murder innocent Israeli civilians.

You and I have NO assurance our tax dollars are not going into the bank accounts of terrorists!

And make no mistake. Payments to terrorists are a first priority for the Palestinian Authority. "We are dedicating all attention to the topic of the prisoners," Abbas said in February. "Even if we are left with just one penny, we will pay it to those heroes."

That's not just talk. A Palestinian Media Watch analysis reveals that the Abbas-led PA spends:

- 33 times more on terror rewards than on health services.
- 11 times more on terror payment as on education.
- Almost twice as much on terror as on help for needy Palestinians.

Third, Biden met with Abbas in Bethlehem just days after Abbas HIKED the salaries paid out to hundreds of terrorists. Despite that brazen provocation, Biden said NOTHING about the PA's heinous "pay for slay" program.

Instead, Biden announced even more U.S. funding for Palestinians—bringing the total since he took office to more than \$800 million.

Standing next to Abbas—a petty tyrant who has enriched himself while violating Palestinian human rights—Biden called for "*Two states for two peoples ... living side by side in peace and security.*"

But that is sheer fantasy. Palestinian leaders don't want peaceful coexistence. Their goal is "Palestine from the river to the sea."

Official Palestinian TV airs maps

of Israel covered with the Palestinian flag. A recent PA school event told students, "Palestine—the entire land is ours, from the Sea to the River."

The PLO charter calls for "armed struggle" to "liberate Palestine." It proclaims the "national duty to repulse the Zionist, imperialist invasion."

Those are marching orders for much of Palestinian society—which is now a ghoulish death cult that glorifies suicide bombing and revels in violence against Israel. Here are just a few examples exposed by the Israeli group, Palestinian Media Watch:

- A music video on Palestinian TV celebrated suicide bombers, telling Palestinians, "Life is insignificant ... God, grant us Martyrdom."
- A Mother's Day message on official PA TV announced that "the land won't be liberated until it is saturated with the blood of its sons."
- A mother whose son died in a clash with Israeli soldiers told Abbas she was "prepared to sacrifice even more. I'm prepared to give more Martyrs for the homeland." Abbas affirmed her, saying, "He is our son, all of ours. Our children—all are for the sake of Allah."

And because of Biden, you and I, as American taxpayers, are subsidizing this utter evil!

Join me and many others today in calling on Congress to slash Palestinian aid to ZERO. Sign the "STOP the Aid!" demand letter to House and Senate leaders and return it right away with your best gift possible to fight for Israel.

May God bless you as you bless and stand with Israel!

Together for Israel,

Mat Staver

STOP THE AID!

No More Taxpayer Dollars to Subsidize Palestinian "Pay for Slay"

A Citizen's Demand Letter to House Speaker Nancy Pelosi, House Minority Leader Kevin McCarthy, Senate Majority Leader Charles Schumer and Senate Minority Leader Mitch McConnell

Joe Biden is providing more than \$800 million in Palestinian aid at the very moment that the Palestinian Authority is paying millions—some \$341 million in 2019—to thousands of Palestinian terrorists who attack, maim and murder Israelis.

As an American taxpayer and a friend of Israel, I am incensed that our nation is subsidizing this monstrous evil. And all the more so since the Taylor Force Act prohibits Palestinian aid if the PA is funding terror—which it is.

I am asking you to immediately cut all Palestinian aid. No more U.S. taxpayer dollars to aid Palestinians. None!

Sincerely,

Every talent and resource we have comes from the Lord. As stewards of God's resources, it is important that each of us makes sure that our giving in this life is both generous and strategic. It is even more important to leave a legacy that will echo through history and advance the Kingdom of God.

Giving is both an act of obedience to our Lord who gave all for us, and it is a form of worship (2 Corinthians 9:6-15). By giving, we place our trust in the Lord and bless those who receive. There are great blessings for those who give, as Jesus said, "It is more blessed to give than to receive" (Acts 20:35).
