"BUT THERE IS A FRIEND WHO STICKS CLOSER THAN A BROTHER." PROVERBS 18:24

GIVE TODAY

DEAR PRO-ISRAEL FRIEND,

President Donald Trump NAILED it the other day when he declared what you and I have known for some time. Speaking of Israel, Trump actually "went there," telling a pro-Israel crowd:

Biden really doesn't like you, that I can tell you. He won't even see Netanyahu ... That's how low it's come.

Joe Biden claims Israel's government is one of the most "extreme" he's ever seen.

Joe meddles in Israeli affairs, saying he hopes Prime Minister Benjamin Netanyahu "walks away from" his campaign to rein in Israel's tyrannical Supreme Court.

He told Netanyahu, through a *New York Times* columnist: "Please stop now. Don't pass anything this important without a broad consensus, or you are going to break ... your relationship with America's democracy, and you may never be able to get it back."

But Israelis voted Netanyahu and his coalition government into power to restore democracy in Israel by restraining an authoritarian high court, which rules from the left.

And it's not just Biden. **Trump added that Democrats in Congress are also assaulting our closest Middle East ally ...**

Today, it's almost like there's a revolution against Israel in Congress, especially in Congress ... between AOC [Alexandria Ocasio-Cortez] plus three [Ilhan Omar, Ayanna S. Pressley, and Rashida Tlaib], and all these other lunatics. ... They hate

Israel, they hate it with a passion. ... They convinced a lot of people that Israel is a bad place," he exploded in a tweet.

One of those "lunatics" is Rep. Pramila Jayapal. She leads the 100-member Congressional Progressive Caucus and recently [denounced Israel, calling it a "racist state."](#) [Members of the Squad agree:](#)

- AOC slurs Israel as an "apartheid state." Ayanna Presley says the same.
- [Rashida Tlaib calls Israel "racist" and said she gets a calming feeling when she thinks of the Holocaust.](#)
- Ilhan Omar condemned Israel for invading "the occupied West Bank" where it "killed at least a dozen people." She left out that those killed were all terrorists who targeted innocent Israelis.

And nine Democrats, including the Squad, voted last month against a House resolution declaring Israel is not a racist or apartheid state.

Trump is right. Israel "is under siege politically." Biden speaks WORSE of Israel than he does Iran! **You and I must act now to defend God's people!**

Will you join me in taking two immediate and much-needed steps?

Use the URGENT ACTION PAK to send critically important notes to Jerusalem and to Capitol Hill!

TRUMP TO ISRAEL: "BIDEN REALLY DOESN'T LIKE YOU"

"Israel is under siege politically," declares President Donald Trump. And it's not just Joe Biden. "Today, it's almost like there's a revolution against Israel in Congress," thanks to AOC and the Squad. — Mat Staver

Americans stand with Israel, pray God's blessing on the Jewish state, and seek Heaven's protection on Israel from the malign threat posed by Iran.

2. [Call on pro-Israel House leaders to speak out](#) with clarity, firmness, and resolve against the war of words Joe Biden and Israel-haters in Congress are waging on God's chosen people. Ask them to challenge Biden to oppose Iran, not Israel, and to stay out of Israel's internal domestic affairs.

And as you sign the URGENT ACTION PAK notes to Netanyahu and House leaders, **I ask you to send a much-needed gift.** Your generous support now will strengthen, expand, and accelerate all our pro-Israel work across America, on Capitol Hill, and in Israel through Covenant Journey visits to the Jewish state.

And to thank you for your generous gift of \$35 or more, **I want to send our shocking *Special Report on the anti-Israel enemies working in Biden's White House, Joe Biden's Hostile-to-Israel Appointees.***

First on the list in the eye-opening exposé is Joe Biden himself. I think you'll be astonished to discover that **Benjamin Netanyahu is not the first Israeli prime minister Biden has tried to kneecap.** You'll discover the details in this revealing look at Biden and the enemies of Israel he has assembled in his White House.

By the way, it's not just President Trump calling out Biden and his team for their war on Netanyahu. Florida Governor Ron DeSantis said: "You know, they don't like Bibi, quite frankly, because he's a conservative."

And the *Wall Street Journal* issued this sharply worded rebuke of Biden:

Why does President Biden go out of his way to snub, criticize and give marching orders to the government of Israel? At least rhetorically, the President and his Administration treat Prime Minister Benjamin Netanyahu and his governing coalition worse than they do the ruling mullahs in Iran.

This is no way to treat a democratically and no way to pursue U.S. interests.

But that is precisely what Biden is doing. **He is even boycotting Israel by cutting off technological and scientific exchange** with Israeli groups in Judea and Samaria.

Joe calls some Netanyahu cabinet members "extreme" but doesn't say the same about the Israel-hating Islamic regime in Tehran.

In fact, Biden is almost silent on Iran's

Joe calls some Netanyahu cabinet members "extreme" but doesn't say the same about the Israel-hating Islamic regime in Tehran.

maniacal rulers who declare "Death to Israel" and now stand on the brink of a nuclear arsenal.

Instead, Biden blames the Jewish state — at least in part — for the Israeli-Palestinian conflict. In an outrageous swipe at our ally, Biden told a CNN interviewer last month, **"they [Israel] are a part of the problem."**

That's nonsense! And antisemitic. The conflict stems entirely from a religious imperative Muslims find in the Quran — a book filled with hostility for the Jewish people. It issues this mandate: **"drive them out from where they drove you out"** (Quran 2:191).

That command is at the heart of the jihad that Palestinians are waging against Israel — a war fueled by their false claim that Israel stole Arab land. But instead of denouncing Palestinian terror, Joe blames Israel.

He says nothing about the venomous anti-Israel incitement Palestinian media spew out 24/7. Nor does he condemn and rail against ...

- The more than 5,000 Palestinian terror attacks against Israelis in 2022 — and more than 3,600 through June of this year.
- The Arab thugs who, so far this year, have slaughtered some 28 Israelis.
- The lifetime salaries the Palestinian Authority pays out to Palestinian terrorists with Israeli blood on their hands.

Biden is silent. But you and I must speak out! Will you join me?

In his speech, President Trump gave some advice to the friends of Israel in his audience ... and to you and me ...

You've got to be more proactive in Congress because you're not getting support. People who used to support you sort of go and hide, and people who weren't supporting you much, they've become your enemy.

There are radical enemies of Israel in Congress. But there are still many good friends of the Jewish state. Join me in calling on them to act on Israel's behalf.

Sign the note of encouragement to Prime Minister Netanyahu and urge House leaders to defend Israel against the Biden administration's campaign against our closest Middle East ally.

Our voice needs to be heard. Please sign and return the URGENT ACTION PAK!

Thank you for your generosity and for standing with Israel now!

P.S. Donald Trump is right. Things have reached a new low when Joe Biden publicly badmouths the Israeli government even as his administration talks with Iran about a new deal. It's an utter outrage — one that threatens Israeli and American security! Please sign and return the URGENT ACTION PAK with your much-needed gift to bless and defend Israel! Thank you!

Stand with Israel NOW! A Message to U.S. Congressional Leaders

To: House Speaker Kevin McCarthy, House Majority Leader Steve Scalise,
Senate Majority Leader Charles Schumer, Senate Minority Leader Mitch McConnell

It is an outrage that some in Congress smear Israel, calling it a "racist" and "apartheid" state while keeping silent on Palestinian terrorism. As an American and a friend of Israel, I am also angered by Joe Biden's intrusive meddling in Israeli internal politics. Please speak out with clarity, firmness, and resolve against the war of words Joe Biden and Israel-haters in Congress are waging on God's chosen people. Please call on Biden to oppose **Iran, not Israel**, and to stay out of Israel's internal domestic affairs. And please, above all, stand with our closest friend and ally, Israel.

A WHITE HOUSE AT WAR WITH ISRAEL

You'll be astonished at the fierce hatred for Israel that fills key Biden staffers as you read the CIDI *Special Report: Joe Biden's Hostile-to-Israel Appointees*. It profiles the many enemies of the Jewish state serving in the Biden administration — and one of them is Biden himself. See why! The *Special Report* also reveals that Biden's point man on Israeli-Palestinian policy, Hady Amr, has:

- Charged that "our tax dollars and our blessings have enabled [Israel] to perpetuate these brutal attacks against [Palestinian] civilians."
- Accused Israel of "ethnic cleansing."
- Called Israel's presence in Judea and Samaria — part of its biblical, God-given homeland — an "ongoing illegal occupation."

CIDI's *Special Report* reveals the distaste and disregard that many in the Biden administration have for our nation's best friend and ally. The *Special Report* is our thank you for your generous gift of **\$35 or more** to help us fight for Israel. Ask for it today!
