ANTISEMITISM REVEALED AT THE PENTAGON

You and I have witnessed — and cheered — astonishing displays of Israeli derring-do and divine deliverance since Oct. 7 in Gaza, Lebanon, Syria, and now, Iran.

Despite that, **vile hatred for Israel and the Jewish people is rampant**. And it's happening inside our borders — even at the highest reaches of the Pentagon!

News broke recently that the CHIEF ISRAEL PLANNER for the Joint Chiefs of Staff at the Pentagon has posted poisonous anti-Israel attacks. Jewish News Syndicate revealed that Col. Nathan McCormack trashed America's best ally by:

- Referring to "Netanyahu and his Judeo-supremacist cronies."
- Calling Israel a "death cult" and "America's worst ally."

- Charging that "Israel's actions over decades have prompted the accusations of ethnic cleansing and genocide."

I'm happy to report that Col. McCormack has been reassigned and is being investigated. But antisemitism in America is much more broad-based and deadly . . .

- **Two Jewish diplomats in Washington, D.C., were slain gangland style** when a "Free Palestine"-spouting gunman, firing from behind, ambushed his victims, a beautiful young couple soon to be engaged who were reportedly believers in Yeshua (Jesus), the Jewish messiah.
- **A Muslim man, illegally in the U.S., threw flaming explosives at Jews** in Boulder, Colorado, screaming "Free Palestine." He later elaborated, telling police he hated "Zionist people" and "wished they were all dead."

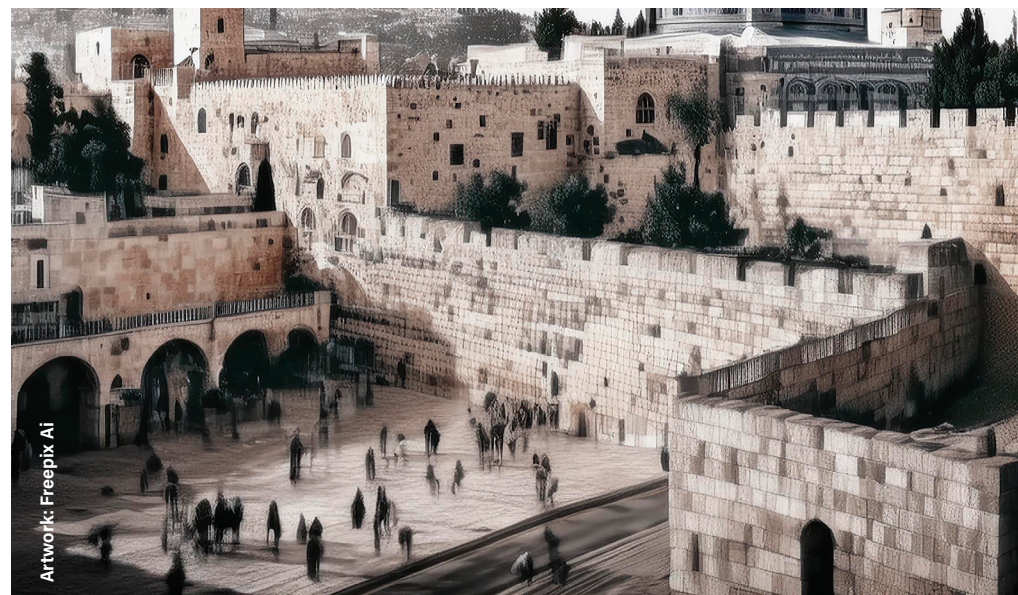

STUNNING HOSTILITY FOR ISRAEL — AT THE PENTAGON!

You'll be astonished at the disdain for Israel openly displayed at the highest reaches of the Pentagon. But that's just one example. Vile hate for Israel and the Jewish people is rampant in American society — even inside the conservative movement. President Trump is fighting it . . . but he can't do it alone. We invite you to sign the "THANK YOU, MR. PRESIDENT!" note, below, for his unwavering support of Israel. — Mat Staver

Nationwide, antisemitic incidents have risen four straight years, with an all-time high of 9,354 incidents in 2024, according to an Anti-Defamation League study.

Especially alarming is the 84% spike in cases of Jew-hatred on college campuses

in 2024 alone. In a dramatic move, the U.S. Department of Education declared that Columbia University no longer qualifies for accreditation because it "failed to meaningfully protect Jewish students against severe and pervasive harassment on Columbia's campus."

"This is antisemitism in its purest ... form, and it's being tolerated not only in universities, but throughout the country," said Leo Terrell, who leads the Federal Task Force to Combat Antisemitism.

Even some political conservatives are joining the bash-Israel crowd. Israel's minister for diaspora affairs charges Tucker Carlson with providing "the leading platform for fringe Holocaust deniers, conspiracy theorists, and blood libel enthusiasts."

And influencer Candace Owens smears Israeli Prime Minister Benjamin Netanyahu, charging him with membership in the "synagogue of Satan."

"Thank goodness President Trump is in office," Terrell declares. "He's not going

to tolerate it [antisemitism]. He's going to eliminate it."

Trump is a powerful champion for the Jewish people and Israel, but he can't do it alone. **The fight against Jew-hatred is ours, as well.**

P.S. Standing together, we can defend Israel and expose vile hostility for the Jewish people and Israel. Your generosity is crucial. Please give today!

THANK YOU, MR. PRESIDENT!

A Note of Gratitude to President Donald J. Trump

Thank you, Mr. President, for leading the fight against ugly Jew-hatred in America and for standing strong in defense of the world's one-and-only Jewish state, Israel. Because of your public opposition and your defunding decisions, university administrators are now painfully aware that their tolerance of outrageous on-campus antisemitism will be met with a loss of federal financial aid.

And I am deeply grateful that you are publicly standing by Israel's side, providing critical military support as Israel fights to end the nuclear ambitions of the genocidal tyrants of Tehran!

May God bless you, Mr. President. May God bless America. And may God bless the Jewish state of Israel!

What God's Word Says About Standing with Israel!

More than 4,000 years ago, God gave Abraham a sweeping promise: "I will bless those who bless you and whoever curses you I will curse" (Gen. 12:3). Sadly, some church leaders fail to heed these words.

A long and ugly trail of antisemitism blackens the pages of church history, as you'll discover in *Why Israel Matters to You and Your Family*. This unique booklet reveals stunning quotes and disturbing examples of antisemitism past and present. You'll discover from Scripture and history why no one can stand on the sidelines when Israel and the Jewish people are under attack.

Why Israel Matters to You and Your Family is our "Thank You" for your gift today of \$25 or more to defend Israel!
