EMPOWERING AMERICA'S ENEMY

Like you, I was stunned . . . dismayed . . . even angered at President Trump's June MOU agreement with the Islamic Republic of Iran. After all, this rogue enemy of Israel is:

- The world's leading state sponsor of terror.
- A radical Islamic regime that calls for "wiping the Zionist entity off the face of the earth."
- A brutal dictatorship guilty of the mass murder of 35,000 innocent Iranian protesters.

I've prepared a vital petition to President Trump on this crucial concern, as I'll share below. I hope you'll add your name to it and partner with CDI in defending Israel. But first . . .

To his great credit, President Trump stood shoulder to shoulder with Prime Minister Benjamin Netanyahu in a brilliant campaign to decapitate this evil regime, sink its navy, destroy its air force, eliminate its air defenses, and level, in large part, its military-industrial base.

But in June, President Trump abruptly flipped.

TRUMP'S WORST MISTAKE

Instead of completing the job militarily, forcing the mullahs to wave the white flag, he gave them a lifeline, signing an ill-advised Memorandum of Understanding (MOU) with Iran that declared a 60-day ceasefire.

It's a promise to enrich the radical Islamic

regime with billions in oil sales while extracting a paper-thin commitment that it will abandon its nuclear program.

This dangerous MOU is the worst mistake of the Trump presidency. It will not work. It only empowers an enemy that defiantly declares: "Death to Israel, Death to America."

After signing the agreement, Iran's radical rulers gloated, claiming the MOU "brought President Trump to his knees. We got what we wanted." But Trump sang Tehran's praises, calling Iran's leaders "very smart . . . far less radicalized . . . very good."

"F-BOMBS" AND BETRAYAL

Trump did so while bashing Israel. He dropped "F-bombs" on Prime Minister Benjamin Netanyahu and issued this threat to the PM of our close ally: "You'd better be

careful what you do, because you could be left alone against Iran very soon." Israelis are shocked and "filled with disbelief and anger," one Israeli journalist noted. While Trump was once a "beloved figure," he added, ". . .

Tell Trump: Enough Talk . . . Finish the Job!

six months later, "Many Iranians feel deeply disappointed and, frankly, a bit stabbed in the back," an Iranian exile explained to AllIsraelNews.com.

Trump's bid to make peace with Israel's genocidal enemy is an epic blunder that demands our response. CIDI has already protested the MOU in a letter to the president, calling on him to:

Finish the job in Iran by removing the Ayatollah and the brutal Islamic Revolutionary Guard Corps, along with removing all enriched uranium from Iran.

Now, I am asking you to join me in petitioning President Trump to FINISH THE JOB in Iran. Act now to add your signature to the FINISH THE JOB petition to President Trump. **As you do, I ask you to send your best gift to help CIDI bless and defend Israel.**

THIS GIVES ME HOPE

I am encouraged that President Trump does see that military action may be necessary. After Iran twice violated the ceasefire by

"The tyrants of Tehran are a ruthless, apocalyptic death cult on a mission from Allah to annihilate Israel and America."

attacking oil tankers transiting the Strait of Hormuz, the U.S. answered with harsh counterstrikes. Afterward, the president said:

There may come a point when we are no longer able to be reasonable, and will be forced to militarily complete the job that we very successfully started. If that happens, the Islamic Republic of Iran will no longer exist!

No one wants war. But Israel and the U.S. face an implacable foe. The tyrants of Tehran are a ruthless, apocalyptic death cult on a mission from Allah to annihilate Israel and America. After that, their fevered belief is that the "Mahdi" — an end-times Muslim messiah — will arrive to rule from Jerusalem and impose global Islamic domination.

Make your voice heard. Take a minute right now to sign the petition, urging Trump to FINISH THE JOB. **And please be as generous as possible.** Thank you for your partnership in standing for Israel! **CIDI**
